About us

Pacific Suppliers Limited commenced business in 1994 with its core business of manufacturing and whole of industrial chemical products. Over the years this small local operation has involved into a nation wide manufacturing and distribution enterprise.

In 2012 the company has integrated VEGA group from New Caledonia. And this year we had open a new ware house on SANTO island in Luganville.

Growth has been spurred by a customer driven approach. New products have been developed in response to the specific problems and ideas of our customers.

We provide the best possible customer service and our philosophy is to use the best available chemical technology combined with good people skills to improve our living and working environments.

Our motivated team stay at your service to help you at every stage of your request, the cleaning is just the beginning !

Our current activity is now based on seven main domains

dedicated for professional and private sectors :

1. Hygiene, we provide hygiene solutions with local manufactured products and Diversey products (exclusive distributor for Vanuatu),
2. Cleaning, all the tools for cleaning, (Oates, Taski...),
3. Packaging (film wrapped, aluminium foil, take away box...),
4. Hospitality & Catering (Linen, crockery...),
5. Swimming pool, services equipment and chemical, (Exclusive Zodiac Distributor),
6. Cleaning services (floor, kitchen exhaust, carpet, truck...)
7. Hiring (scaffold, forklift...).

You will find in this catalogue a selection of our 100 best products on our current range of more than 3500 articles. If you don't find what you need in this catalogue please call us, and it will be a pleasure to help you,, ☎ **25 082** .

The intelligent solution for small dish wash machines

Simple and Reliable

DIFY™ delivers all the performance of professional dishwashing multi-component systems in one easy step, combined with the benefits of a controlled dosing system without the need to install any equipment (1).

Convenient and Intelligent

Just add one DIFY™ sachet anywhere in your machine wash bath (2) and continue washing up to an average of 15 wash cycles (3).

The J-watcher™ dosing alert takes care of the washing performance, allowing for continuous, long lasting results.

The red flashing light of the J-Watcher™ tells you when you need to add another sachet of detergent (4).

The unique combination of J-Watcher™ and DIFY™ detergent bring you the ultimate dishwashing solution.

Economical

The sachets included in a single, compact DIFY™ pack can handle up to an amazing 600 wash cycles.

The compact DIFY™ pack takes up almost no space in your kitchen and DIFY™ technology is all inclusive, so there is no need for a separate drying agent.

Safe

Safe to handle, the sachet dissolves in the dishwasher preventing any contact with chemicals (5).

**The ultimate unique combination:
DIFY™ detergent and the J-Watcher™ dosing alert.**

6 in 1 Performance

Initial dose: The fast dissolving sachet and powder ensure great cleaning results from the start.

Detergent: Using the latest technology, DIFY™ is able to deliver high performance cleaning results.

Rinse-aid: The built-in rinse-aid improves fast drying.

Anti-scaling: The added salt function controls the hard water scale in the dishwasher.

Bleach: Excellent on coffee and tea stains.

Soft metal safe: DIFY™, under normal use conditions, is safe on metals such as aluminium.

Total simplicity, full result!

DIFY™ sachet + J-Watcher™ guarantee you continuous warewashing results. Just add one sachet into the machine and keep washing for up to 15 wash cycles.

The J-Watcher™ dosing alert will tell you when to add another sachet.

SmartDose™ System

Mixing concentrated cleaning products just got **Simpler, Safer, Smarter**

Simpler

The portable SmartDose™ bottle goes wherever you go. Simply select the appropriate dosing icon, pull up the pump once, then push the knob down to dispense the accurate amount of concentrated cleaner. It's that easy!

- ▶ Minimal training needed
- ▶ Easy to understand icons
- ▶ No water hook-up required
- ▶ Maintenance-free system

Control knob with easy-to-understand icons.

It's so simple.

1 Turn the control knob to select the appropriate icon.

2 Pull up on control knob one time to prime the pump.

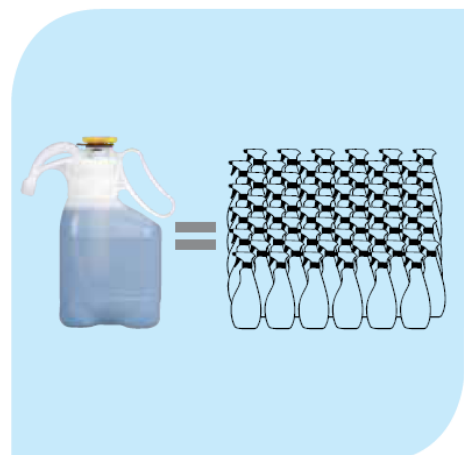

3 Push the knob down fully to pump a precise dose of concentrate needed for the correct dilution when mixed with water.

Smarter

The SmartDose™ bottle automatically calculates two precise doses of concentrate, allowing accurate dilution and enhancing cleaning performance.

- ▶ Calculates correct dosage for bottle, bucket, autoscrubber and sink applications
- ▶ Eliminates guesswork or the use of complicated calculations
- ▶ Prevents partial dosing
- ▶ Helps control costs

One 1.4 L bottle of concentrated glass cleaner is equivalent to 121 ready-to-use 1L spray bottles.
